

Project Puffin

SEABIRD RESTORATION PROGRAM

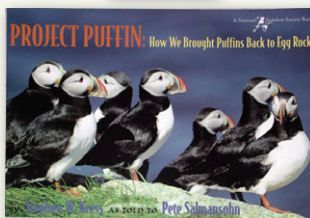

Project Puffin was established to reintroduce Atlantic Puffins to their former Maine nesting islands. You can help support Project Puffin by making a donation or adopting a puffin. For each \$100 donation, you can enroll in our Adopt-A-Puffin program and we will assign one Atlantic Puffin to you. Your puffin has had a remarkable history from the day he or she hatched to the present, which is described in your puffin's biography included in your adoption package. You'll find out about your puffin's choice of mate and nest, its nesting success, and new information gathered by our scientists this season. Adopt-A-Puffin lets you learn about these endearing seabirds while supporting our efforts to develop restoration techniques that can be used to help seabirds in peril worldwide. In addition to your puffin's biography with color picture, you'll also receive a certificate of adoption.

Adopt-A-Puffin

Magnet

Project Puffin book

Donate **\$100 or more** and you can receive our Project Puffin book.

visit **shop.projectpuffin.org** for more puffin gifts, books and videos.
